Coverage for you, coverage for your baby.

Taking care of yourself is always important, but especially when you're expecting. With Medicaid and CHIP, when you are pregnant you may be eligible for free or low-cost health coverage before and after baby arrives. This includes prenatal visits, labor and delivery, postpartum care, and more. Plus, your baby will be covered, too.

Enrollment is open year-round. You may be eligible now, even if you have applied before. Families of four with an income up to $60,000 may qualify.
